

**Education Programs, Fees & Schedule  
4<sup>th</sup> & 5<sup>th</sup> Grade Programming  
2016-2017**

**Programs:** The current programs offered for 4<sup>th</sup> & 5<sup>th</sup> grade are:

**Wetland Ecology:** field and lab studies, water quality, macro invertebrate collection and identification, soil survey and plant identification.

**Birds – The Nesting Generation:** field and lab studies, bird identification, bird adaptations, use of binoculars and field guides, and review of migration patterns

**Wasting Water is Weird – A Lesson on Water Conservation:** hands on water conservation activities, urban water cycle, nonrenewable resource, water as it relates to those living in Texas.

For a more in depth description of programs and TEKS correlations go to: [www.wetlandcenter.com](http://www.wetlandcenter.com)

**Special Notes:** Programs are tailored to your needs as a teacher and to the arrival & departure times. Please have students dress appropriately for a field study - Sturdy shoes that can get wet, long pants and sun protection. There are no food concessions at the Center.

**Fees:** \$6.00 per student full or half day  
\$6.00 per adult full or half day  
(1 adult free for every 10 students)

A program is considered a “**Full Day Program**” if students will be on site for at least 4.5 hours. During a full day program, two classes will be taught.

A program is considered a “**Half Day Program**” if students will be on site less than 4.5 hours. During a half day program, one class will be taught before lunch, with a concluding activity after lunch.

**Program Schedule:** Tuesday - Friday 9:30 am - 2:00 pm *(These times can be adjusted for bus schedules)*
