

Water Education for Teachers

# Project WET Education Workshop

Thursday, June 28 2018 9:00 a.m. - 4:00 p.m.  
John Bunker Sands Wetland Center

## Hands-on, Teacher Designed, Engaging

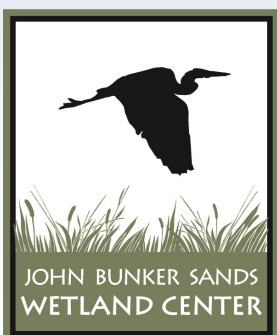

We invite you to explore and share the fascinating world of water systems using fun, hands-on educational activities.

- ◆ Explore more than 50 easy-to-implement lesson plans that help students develop teamwork, decision-making and problem solving skills
- ◆ Incorporate hands-on, investigative, and easy-to-use activities designed to develop 21st-century skills across the curriculum
- ◆ Receive Project WET Educator Curriculum Guide
- ◆ Earn 7 hrs CPE and TEEAC Credit for Teachers
- ◆ Open to all classroom teachers, informal educators, home school parents, and Scout and youth leaders
- ◆ Kids LOVE the activities and so do teachers who use them!

**Registration due June 21 \$15 pre-registration fee required**

To register, contact Linda Dunn at 972-474-9100 or
