

Home School Classes

Fall 2014/Spring 2015

Exciting new Home School classes are scheduled to begin at the Wetland Center in September 2014. Classes will be held the 2nd Wednesday of every month. Below are the dates along with the topic for the day:

September 10	Welcome or Maybe Welcome Back!
October 8	Wasting Water is Weird – A Water Conservation Lesson
November 12	Plants – Taking a Look Inside
December 10	Bird Feathers – Why They're so Cool!
January 14	Mammals – Our Furry Friends!
February 11	Winter at the Wetland
March 11	Tree Factory – How Trees Really Work
April 8	Insects and Their Incredible Adaptations!
May 13	Wildflowers of the Wetland

The number of students in class will be limited to 25 and need to be preregistered in order to participate. **Total cost of the program is due prior to the date of the class.** Call with credit card info or mail check to the address below.

Details about Classes:

Time of Classes: 10:00am – 11:30am
Cost of Classes: \$7.00 Student Participant
Payment: Check, Cash, Credit Card, Money Order
(Payment must be made before date of class)

What to bring/wear: Bug Spray, closed toed shoes, and a picnic lunch to enjoy after program.

Please bring a science journal for your child. Note taking skills and hand-out inserts will be part of the class. A spiral notebook or composition book works great for a journal.

**All age ranges are accommodated during lessons, however classes are geared to students up to the 8th grade. When registering children, please keep in mind that if you would like your child to receive class materials, answer questions and/or participate in class activities, they will also need to be registered for the class regardless of age.
