

Fall 2020/Spring 2021 Home School Classes

John Bunker Sands Wetland Center

Exciting new classes are scheduled to begin at the Wetland Center in September 2020. Classes will be held the 2nd Wednesday of every month. In order follow social spacing guidelines, space will be limited and only one adult will be able to accompany the child(ren) to the class. Below are the dates along with the topic for the day:

Fall Session

September 9 – Architecture in Nature: Amazing Builders of the Wetland

October 14 – Food Webs: We All Rely on Each Other

November 11 – Trek to the Trinity: See our greatest river up close and personal

December 9 – Below the Horizon: Taking a Look at Soil

Spring Session

January 13 – Hydrology: Water is Always on the Move

February 10 – Nocturnal Natives: Who's Up All Night at the Wetland

March 10 – Cold Blood and Scaly Skin Make Me a Reptilian

April 14 – Celebrating the Birds of the Wetland

May 12 – What's Fishy? Let's Take the Ick Out of Ichthyology

The number of students in class will be limited to 15 and need to be preregistered in order to participate. **Payment is due prior to the beginning of each session.** [Click here](#) to register online or mail check to the address below. Please give us a call if you have any questions regarding payment.
