

Family Fun Days

Join us this summer for any or all of our awesome Family Fun Day programs. Each program takes place on a Wednesday from 10 am to 12 pm. Cost to attend is \$7 per person, this includes children and adults.

[Register for Family Fun Days Here](#)

The Incredible Journey of Water — June 16th

Follow the journey a single water droplet through the natural water cycle.

Nature Journaling for Kids — June 30th

Journaling is a great way to combine outdoor fun and art!

Birds of a Feather Flock Together — July 7th

Come out and learn all about our feathered friends at the wetland.

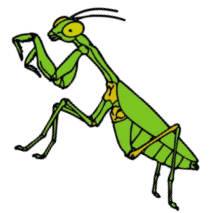

I Heard it Through the Food Chain — July 14th

Students will learn about the interconnectivity of food chains and food webs.

Insect Investigation — July 21st

Explore the world of insects, the most diverse group of animals on earth.

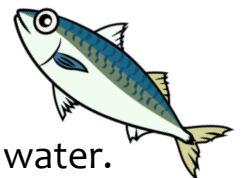

Let's Take the Ick Out of Ichthyology — August 4th

Come learn what makes a fish a fish, and why fish are slimy.

Survival For Kids! — August 11th

Just in time for summer! Students will learn basic outdoor survival skills.

Wetland Plants Really Clean Up — August 18th

Our plants are specialists at removing chemicals and bad things from the water.

Contact Linda Dunn at [972-474-9100](tel:972-474-9100) or ldunn@wetlandcenter.com for more information.
