## Fall 2021/Spring 2022 Homeschool Programs

We are excited to announce our 2021/2022 Homeschool calendar! All programs are held on the 2<sup>nd</sup> Thursday of each month 10-11:30am starting in September. Our classes are a blend of indoor & outdoor learning ideal for ages 6+. All ages are taught together, and parents are invited to stay in our learning area at the back of the classroom.

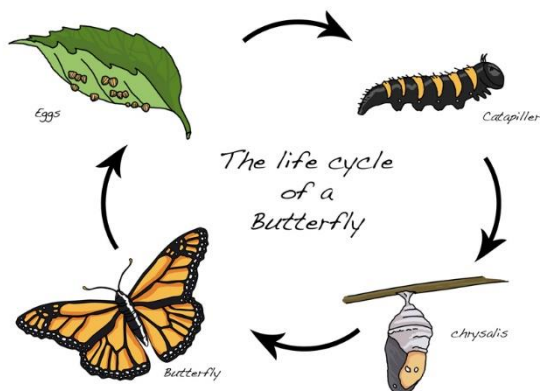

### Fall Session

- Sept 9 Eyes on the Wetland
- Oct 14 Let's Talk about the Urban Water Cycle!
- Nov 11 Who Cares about Carrion!
- Dec 9 Fur: More than Meets the Eye!

### Spring Session

- Jan 13 Who's Under the Water?
- Feb 10 Texas Watersheds
- Mar 10 Metamorphosis: Change is in the Air
- Apr 14: Let's Hop into Herpetology!
- May 12: Wetland Botany

Time of Classes: 10:00 a.m. -11:30 a.m. (Bring a picnic & enjoy lunch after class!)

Online Registration and payment are required. Click [here](#) to register and pay online

Registration is limited to 24 students to enhance the hands-on experience.

Cost of Classes: \$9/child
