

It's Story TIME

Nature Storytime

Do your little ones enjoy being in nature? Come and join us as your 3-5 yr. old learns how to appreciate nature through story books and exploration. Making a craft, singing songs and hands on activities are all part of the fun. All classes are held on Fridays, 10:00-11:00, Cost is \$9.00/child.

February 12 - We'll make geography fun as we learn about towns, states, countries, and planets with Sasparillo, the "**The Armadillo from Amarillo**" We'll end with a walk on the boardwalk to introduce new visitors to the amazing scenery at the wetland.

February 26 - Is a dead tree really dead? Join us as we read the book "**Around One Log.**" We will go outside and explore a dead tree and find out for ourselves!

March 5 - Owls are the theme of today! Join us as we learn about how special owls are in the book "**Owl Moon.**" An owl craft and a brief walk outside are part of the program.

March 19 - Kids will explore caterpillars and butterflies as we read "**The Hungry Caterpillar**" and learn how they change from one form to another. Activities include an outdoor game about butterflies and a butterfly craft the kids can take home.

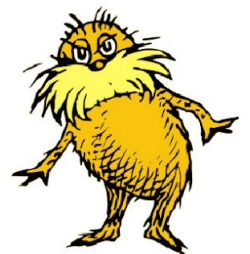

April 2 - Chicks, joeys, and cubs! Today's adventure includes the riddle book **Happy Birthday to Whooo?** followed by an outdoor game where we'll match babies with their adults and learn a song about growing baby animals. Be sure to bring a baby picture!

April 23 - Frogs, turtles, ducks and dragonflies: wetlands are hopping with life! During today's reading adventure, "**Near One Cattail**" kids will learn all about the wildlife that call the wetland home. Kids will take a walk on the boardwalk to look for these wetland creatures and make a frog craft to take home.

May 14 - Journey with Little Skink and find out what happens when he encounters crows and other animals along the way in the book "**Little Skinks Tail.**" After our story we will learn how different animals protect themselves in the wild.

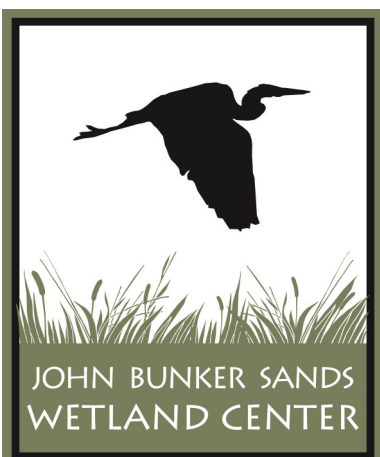

May 28 - Truffla Trees. Swamee-Swans and Humming-fish await the reading group as we read "**The Lorax**" by Dr. Suess. We will head outside for a fun recycling activity and learn songs that introduces conservation and the importance of everyone doing their part to keep our planet clean!
